Identity Theft is the fastest growing crime in the world today and that makes properly disposing of confidential documents even more important than ever. Palm Beach Crime Watch, Inc. is hosting another "Community Shredding Event" on Friday, May 17, 2013 from 10:00am to 1:00pm in the South Parking Lot of Phipps Ocean Park. This event is being co-sponsored by ShredAssured, a locally owned Confidential Paper Shredding and Data Destruction Company serving South Florida.

ShredAssured will supply a mobile shredding van capable of destroying your documents safely and securely. Materials to be shredded include old tax records and returns, bank statements and checks, employment records, and any documents containing confidential personal information. Individuals and those with small or home businesses are welcome to take part. This event is not designed to accommodate large businesses. Staples and paper clips do not have to be removed. You don't even have to get out of your car! We will have people available to assist you in removing bags or boxes of documents from your vehicles.

You may bring your documents to the Community Shredding Event any time from 10:00 am to 1:00 pm. Phipps Ocean Park South Parking Lot is located just south of the tennis courts. For more information or directions, please call us at (561) 838-5467.
